4. As it is necessary however that accounts of the individual balances of the various Panchayets should be separately available, a plus and minus memorandum account for the transactions of each Village Panchayet should be maintained in a separate register as at present but not as a Savings Bank Account. A plus and minus memorandum showing the opening balance, receipts, payments and Closing Balance for each Village Panchayet should after reconciliation with the subsidiary registers be submitted every month by the Treasuries to this office, with a certificate of verification with the departmental accounts maintained in the Taluk Office.

5. Individual pass books for the transactions of each Village Panchayet which have been maintained hitherto, will be continued to be so kept by the Treasuries the words "S. B. Pass Book" being however struck off and replaced by "Village Panchayet Fund Pass Book". The Village Panchayet clerk in the Taluk Office will also prepare a consolidated statement for the whole Taluk of the above transactions according to his books and will reconcile the figures with those on the books in the Treasury on the 1st of every month and forward the same to this office with the treasury certificates before the 10th of every month for verification with the plus and minus memo received from the Treasury.
